Release of the Scheme Medical Adviser's medical assessment report

It will include any information about your health that the Scheme Medical Adviser, in their absolute discretion, regards as being of material relevance to your application.						
MyCSP is responsible for making decisions about injury benefit applications. However, they need advice from the Scheme Medical Adviser about the level of earnings impairment and level of apportionment for injuries sustained. See the brief guide on the 'Injury benefit scheme' for more information: www.civilservicepensionscheme.org.uk.						
If you consent to the Scheme Medical Adviser sending their report to your employer or MyCSP, including relevant information	L I conse	nt

If you have asked for the report to be amended, the Scheme Medical Adviser can no longer send any report to your employer or MyCSP without your renewed consent to do so. You must therefore, contact them within 5 working days of the date on the corrected report (or the letter telling you that the Scheme Medical Adviser will not make changes to the report), to tell them whether you wish them to release the report to your employer, or MyCSP, or not. If they do not hear from you within this timescale they will tell your employer or MyCSP that they do not have your consent to release the report and that they are therefore unable to provide any advice.

Important Notes:

It is unlikely to be in your best interests to refuse or withdraw consent for the Scheme Medical Adviser to send their report to your employer or MyCSP because without a report:

- MyCSP will reject your appeal.
- you will not be able to progress an appeal against the Scheme Medical Adviser's assessment.

I agree that information information application.	☐ I agree
