## Medical Consent Form 1

Consent for the Scheme Medical Adviser to approach your doctor or specialist for further information about your medical condition.

Please read this section which gives information about your rights in relation to your medical records under the terms of the Access to Medical Reports Act 1988.

The Scheme Medical Adviser may wish to apply to your doctor or specialist for further medical information. They will need your consent to do this. You also have the right to refuse consent. If you choose to refuse consent, then you can ignore the following information on this page and proceed directly to Medical Consent form 2 which explains what happens to the report that the Scheme Medical Adviser produces after they have completed their assessment.

If you give your consent you have the right to see information about your medical condition before it is supplied to the Scheme Medical Adviser. You will have 21 days from the date of the Scheme Medical Adviser's letter telling you that a medical report has been requested, in which to ask your doctor, specialist or consultant to let you see their report. If you do not ask to see their report, you will still have a right to see information about your medical condition for up to six months after it has been sent to the Scheme Medical Adviser.

If you **consent** to the Scheme Medical Adviser seeking further information about your medical condition, please put 'X' in the box and **sign and date** below to confirm your decision.
