Start date is 31 March 2013 unless the Minister was appointed to the Department during the year.

End date is 31 March 2014 unless the Minister left the Department during the year.

The figures given in the response will be based solely on the individual's benefits as a Minister and will not allow for any GMP element.

## RPMI notes

Complete all un-shaded boxes

Put in full cash figures (£2,546) NOT pay bands (2-3.5k)

Only include transfers in where the Minister does not have membership of the Parliamentary Contributory Pension Fund by virtue of being an MP.

Where a Minister joins or leaves during the year, use the market yield factor for their start or end date.

Return this form to the employer after completion.
