I am making an application for an ill health retirement assessment and HMRC severe ill-health assessment (see note below).

If you meet the criteria for severe ill-health you will be exempt from any Annual Allowance tax charge, in relation to your Civil Service pension, in the year that you leave service on ill health grounds.

The Scheme Medical Adviser (SMA) may need to carry out a medical consultation as part of their assessment. They will contact you to arrange an appointment if they want you to attend a medical consultation.

If the SMA wants you to attend a medical consultation and you have any specific mobility, hearing or visual needs that you think they should know about in relation to this, please provide details:

Please note: If you turn down or fail to attend an appointment on two occasions, the SMA will provide an assessment on the basis of the information available to them.

Please now provide the following information which will help the Scheme Medical Adviser consider your application:

Please describe the health problems preventing you from working in your current role. If you have been diagnosed with a condition please ensure this is also detailed in this section.

Please explain any barriers to you working in your usual job.

Do you believe that you could you do any other work?

Medical Consent Form 1

Consent for the Scheme Medical Adviser to approach your doctor or specialist for further information about your medical condition

Please read this section which gives information about your rights in relation to your medical records under the terms of the Access to Medical Reports Act 1988.

The Scheme Medical Adviser may wish to apply to your doctor or specialist for further medical information. They will need your consent to do this. If you wish to give consent you must confirm this by completing the required fields in the consent box below and then proceed to the next section on this page. You also have the right to refuse consent. If you choose to refuse consent, then you can ignore the following information on this page and proceed directly to Medical Consent form 2 which explains what happens to the report that the Scheme Medical Adviser produces after they have completed their assessment.

If you give your consent you have the right to see information about your medical condition before it is supplied to the Scheme Medical Adviser. You will have 21 days from the date of the Scheme Medical Adviser's letter telling you that a medical report has been requested, in which to ask your doctor, specialist or consultant to let you see their report. If you do not ask to see their report, you will still have a right to see information about your medical condition for up to six months after it has been sent to the Scheme Medical Adviser.

If you **consent** to the Scheme Medical Adviser seeking further information about your medical condition, please put 'X' in the box and **sign and date** below to confirm your decision.

If you have given the Scheme Medical Adviser consent to contact your doctor or specialist **you must complete a separate Medical Information Consent Form** for **each** medical practitioner you would be prepared for the Scheme Medical Adviser to contact. The Medical Information Consent Form can be found at the end of this IHRI – PI form.

Your employer cannot offer ill health retirement without a report and certificate from the Scheme Medical Adviser confirming that you have a qualifying medical reason for ill health retirement.
