Scheme Pays

There are two types of Scheme Pays: Mandatory and Voluntary.

You can use Mandatory Scheme Pays if you meet the following criteria.

- Your pension input amount within a single Civil Service pension scheme is in excess of £40,000.
- The tax charge resulting from the excess within that scheme is over £2,000*.
- Your Scheme Pays deduction is applied to the benefits within that scheme only.

*Limits may apply to members with a tapered Annual Allowance

You can use Voluntary Scheme Pays if:

- you don't meet the Mandatory Scheme Pays criteria but you still wish to pay your tax charge by Scheme Pays.
