

Lifetime Allowance Tax Support

Who could benefit from an LTA tax support session?

If you decide to arrange a tax support session, any member who has received a letter regarding their Lifetime Allowance (LTA) would benefit.

What's it about?

The session is run by a financial consultant and will give members all the information they need around LTA and their options. Members will learn about pension taxation, Lifetime Allowance and how to check their pension details.

How will it benefit a member?

- They'll have the opportunity to review their pension with a pension consultant to consider any potential tax charge
- They'll understand their options and what steps they need to take
- There will be the opportunity to ask any questions they have about their pension
- They can pick a time and date that is convenient.
