Building the Basics

12-1pm • Wednesday 23 November

We know that pensions can seem complicated, so this session is designed to provide attendees with a solid foundation on which to build all their future pension planning.

This session will cover:

A new joiner checklist of essential action to take

Transfers in – eligibility, deadlines and more

All about alpha – from contribution rates to retirement age

Pension planning tools available to you and how to use them

A demonstration of how to register and login to the Pension Portal

Pension basic FAQs
