How to Boost Your Benefits

12-1pm • Thursday 15 September

Even if your retirement isn't far away, there are ways to increase your retirement income right now, and the earlier you do it, the better. This session is for anyone interested in finding out more about the different ways you can boost your pension pot.

This session will cover:

What does a comfortable retirement look like?

How to calculate if your pension will provide you with the type of retirement you want

Top tips to maximise your pension benefits

A look at Added Pension and Additional Voluntary Contributions

Defined Contribution schemes – what are they and how do they work?

A demonstration of how to use the Added Pension calculator

Boosting FAQs
