

Confused by the 2015 remedy?

Let us dispel the myths

Our one hour Pension Power webinar sessions will help you to understand:

- What scheme you're in (and the rules that apply)
- The family benefits available to you
- How your pension is calculated
- How you can boost your pension
- Your retirement options

Interested?

Do you know why your pension is worth much more than your contributions?

Common misconceptions

"It costs more to be in alpha than classic"

"I will be getting a refund of my contributions if I choose classic"

"I can't access alpha until state pension age"

"I can't have a lump sum with alpha"
