Buying by a lump sum contribution

I wish to buy added pension by paying a £.....lump sum, deducted from my salary

If you want to buy your added pension other than through your salary, your contributions will **not** get automatic tax relief. To get tax relief you will need to tell HM Revenue and Customs about your lump sum payment by making a tax return for the year in which you are buying.

Please speak to us if you want to pay other than through your salary.

I understand that I must not use a lump sum from a previous pension scheme to buy added pension.
