# SESSION

## Introducing our New Joiner Pension Power session, aimed at members new to the Civil Service Pension Scheme.

Over 100,000 members have attended a Pension Power session since its launch in 2018.

Average feedback scores for events remain above 95%, with over 99% of attendees stating they would recommend the session to a colleague.

Lots of members who have attended have commented that they wish they had learned more about their pension earlier:

**“Very useful, thanks. I could have done with this when I first joined the Civil Service 12 years ago.”**

**“People should be getting this information in their twenties to make sure they have enough time to build up a reasonable pension.”**

While original Pension Power sessions continue, the scheme manager has decided to launch a second version of Pension Power aimed at New Joiners to the scheme. The New Joiner: Your Choices Explained session covers:

- **alpha or partnership – the options available**
- **How the schemes work**
- **Contributions payable**
- **Benefits on leaving**
- **Boosting benefits**
- **Family benefits**
