I want to consider a possible pension transfer from my former pension arrangement to the Civil Service Pension Scheme.

I understand that I cannot transfer any pension sharing order benefits arising from a divorce into this scheme.

I understand that I must have accepted the transfer quote provided by MyCSP within 12 months of joining the scheme for the transfer to go ahead.

I give consent to my former pension scheme administrators to forward pension information and a transfer value quote to MyCSP Ltd as administrators of Civil Service Pensions.
